Levo Plus

DLAB pipette filler Levo plus package is going green

DLAB will no longer be giving out Wall-mounted Holder; standing holder and Hydrophobic Filter along with Levo Plus upon purchase.

Features

- Intuitive and convenient speed with 6 levels
- Lightweight pipette filler compatible with glass or plastic serological pipettes (0.1 –100 mL)
- Ergonomic design for fatigue-free and effective streamlined pipetting
- LCD screen displays battery status and pipetting speed
- Quiet and powerful motor and pump fills 25 mL pipette in less than 5 seconds
- Long-lasting lithium-ion battery

REDUCING CO₂

DLAB is taking action for a low-carbon, more sustainable future. In order to contribute towards tackling the global crisis by pursuing a minimal packaging (the new Levo Plus box size is ~65% smaller); by opting out to not give Wall-mounted Holder; standing holder and Hydrophobic Filter upon purchase. The new package will also significantly reduce the freight cost caused during transportation.
